March 2025

Celebrate

April is the month to plant corn and to start up the lawn mower. It is also the month to celebrate Jesus, and how He came back to life after His tortured body was dead for three days. What a miracle! That is why we say, "Jesus defeated death."

April is also spring break month. Time to take a break from the

winter months and celebrate spring, new life, and God's creation.

Clear Creek Ministries is hosting Resurrection Rock on April 26. This is a free event for everyone with outdoor games, food, music, and friends. Come celebrate with us. We are looking forward to a time of fun and refreshing.

Perspective

Jennette Yoder

It's been said, "The wisdom of our elders is lost when they are gone." If we heed it, their wisdom becomes a part of us.

"Tell the owner the master has need of it." A few years later the Lord said to a farmer, "I have need of this piece of land. Prepare a place for people to gather, to worship, and to learn about Me and My Kingdom."

So, the farmer said, "yes," to planting seeds in the hearts of people rather than land. A fellow farmer with a wise God, you might say. A change in perspective.

Wisdom and knowledge originate with God, and He is the one who gives to those willing to ask, Proverbs 2:6.

According to divine perspective, when we make decisions based on education, intellect, or self-knowledge, it might actually be foolish compared to His wisdom.

Is it wise for a farmer to use viable crop land and a lake built for irrigation as space for an event center? Well, it depends on your perspective. Certainly not according to practical wisdom. Practical wisdom says, "That is foolish!" But this reveals the limits of our understanding.

When Jesus sent disciples to fetch a colt for him to ride into Jerusalem, He said,
