

# Clear Creek MINISTRIES

November 2024

## Thankful

We have so much to thank the Lord for here at Clear Creek Ministries. The stage building is complete and ready for wiring. Guttering and a freight door are in the process of being installed.

The Resurrection Rock team is working on the event for April 26, 2025, and we are excited for more events to come.

My heart is grateful, but I am reminded of the needs we have. We need skilled volunteers to run electrical conduit and wire. We need a carpenter to build a sound booth and other small projects.

And we also need to match the gift of \$35,000. We do not want to forfeit the opportunity of this generous gift.

During this season of giving thanks, I ask for your prayers. I also ask you to seriously consider helping Clear Creek Ministries with these needs that God has placed in our hands.

Let us be reminded of the verse, I Corinthians 15:58, taken from the Message Bible: *Do not hold back! Throw yourselves into the work of the Master, confident that nothing you do for Him is a waste of time or effort.*

## Gifts for the Mission

We invite you to pray and to join us in financially supporting our mission to *create an environment where individuals can encounter the love and grace of God and be transformed by His power.*

During this season of gratefulness and joy, help us match the \$35,000 gift by donating through the Clear Creek Ministries website or sending a check. All donations are tax deductible.

## In the Process

Jennette Yoder

How are we to respond when *it* does not look like, or happen the way, we thought *it* would? What are we missing here?

Did we not hear God's voice or understand the *vision*? Does He not hear our prayers?

I am the pot questioning the Potter, so He reminds me that His words accomplish His purposes. Like the rain that falls and nourishes, His Word succeeds in the thing for which He sent it, Isaiah 55:11.

His ways are not our ways, His thoughts not our thoughts, Isaiah 55:8-9. His ways and thoughts are higher than mine. The timing is His. The process belongs in His hands. His end goals justify His means. Every time in everything.

God has graciously made the mind of Christ accessible to us, 1 Corinthians 2:16. We do share the desires of His heart.

His plans, purposes and perspective become clear as we look into his Word. We remember His faithfulness, not just to us but to future generations. He restores my soul and encourages my heart.

He reminds me He is ALWAYS at work in and through everything. So, this little pot takes her eyes off of the circumstances, lifts her hands, and yields once again to the Master.
